We offer three four-star holiday cottages - Humble Bee, Merry Dale and Swallow's Nest - along with our Wigwams, camping and caravan facilities. Our holiday apartment, St Kitts, is located in nearby Filey, overlooking the sea.

Relax and enjoy the delights of an unforgettable holiday in one of the most beautiful locations in Yorkshire. Take advantage of the incredible walks at any time of year. Idyllic.

our luxurious cottage accommodation

humble bee leisure

Humble Bee Cottage: a 200 year old building with contemporary features. Be charmed by its history and luxuriate in the timeless atmosphere that will inspire and relax.

Merry Dale and Swallow's Nest Cottages have hot tubs, log burning stoves, and superb fixtures and fittings. Luxury, peace, tranquillity, romance: a chance to be you, away from the fast pace of life.

Enjoy Merry Dale's picture window overlooking the Wolds or Swallow's Nest's fabulous living area, while still being able to enjoy modern technology if you wish. Accessories are available in both cottages.

Wildlife in abundance, the gentle rhythms of a working arable farm: our cottages are here for your enjoyment, a chance to rejuvenate, luxuriate and enjoy quality time. Your holiday is a most important event for you, so let us make it unforgettable.

In addition to our superb accommodation, you will have a personal welcome on arrival, along with detailed and informative Welcome Packs to help you settle in and make the most of your holiday with us. Our cottages are ideal for that romantic break or family holiday.

Pets are welcome - please ask for further information.

Why not take your little Indians on an unforgettable holiday – to our unique Wigwams! Choose from Scarborough Castle, Whitby Abbey, Flley Brigg and Bempton Cliffs, set in lovely countryside here at Humble Bee Farm.

Each heated wooden Wigwam has its own electricity supply, mattresses, microwave, toaster, kettle, fridge and barbeque. All you need to bring is sleeping bags, pillows, torches, toiletries, towels and eating equipment.

Our Wigwams sleep up to five persons, and are open all year round. Fire pits are available for the colder nights.

We have onsite facilities, including toilets, showers, a wash-up area, and laundry facilities along with our shop/reception. We also have a children's play area for the younger ones.

Pets are welcome, and with the Yorkshire Wolds as your 'back garden', you can enjoy the countryside walks at any time of year. The famous Wolds Way is just moments away - so what are you waiting for?

Our Wigwams offer an exceptional holiday experience, and have attracted a loyal 'tribe' of campers: why not join them?

Set in a quarter acre field surrounded by fields and wildlife, our camping and caravanning facilities promise you a holiday experience that you will want to return to time and again. Why not get in touch with the seasons of the English countryside, right here at Humble Bee Farm?

With good onsite facilities, including showers, toilets, wash up area and laundry, all you need to do is bring tents, fold-aways, campers or caravan – and enjoy the superb surroundings.

All our visitors enjoy the fact they are staying on a working farm: the duck pond, the sweeping fields, farm animals and of course our hens - a great way to get everyone aware of farm life.

Don't forget you can collect the eggs from our hens every day – there's nothing like a freshly laid egg!

Shop and play area facilities

To keep the young ones out of mischief, we have a play area, along with the farm's shop, which stocks toys, sweets, ice creams and essentials such as milk, butter, tea, coffee, bread and of course local sausages and bacon for that hearty breakfast. We can also provide information about local attractions and places to visit.

So for that fantastic camping holiday, look no further than Humble Bee Farm.

From sandy beaches to rock pools, from rolling hills to peaceful forests, and from stately homes to adventure play facilities, the local area has it all.

Scarborough, Whitby, Filey and Bridlington are within easy reach. Why not visit the cities of York, Hull and Leeds? There are market towns and villages to explore - Malton, Pickering and Helmsley - and the North York Moors National Park is close by.

Ask us for more information about the attractions in the area: you deserve to relax and enjoy the great things in life. We'll help you do this at Humble Bee Farm.

St Kitts Holiday Apartment, located in the beautiful seaside resort of Filey, is about three miles from Humble Bee Farm.

St Kitts overlooks Filey Bay, one of the most impressive views along the Yorkshire Coast. The apartment is literally seconds away from the beach and is superbly appointed, with Victorian features and modern fittings.

The apartment sleeps up to six adults and two children, with three bedrooms, bathroom, separate wc, great dining kitchen and lounge. St Kitts is ideal for that family holiday or gathering. The lounge overlooks the sea, while the dining kitchen is ideal for relaxing, eating and enjoying good company.
